SOPHOMORES

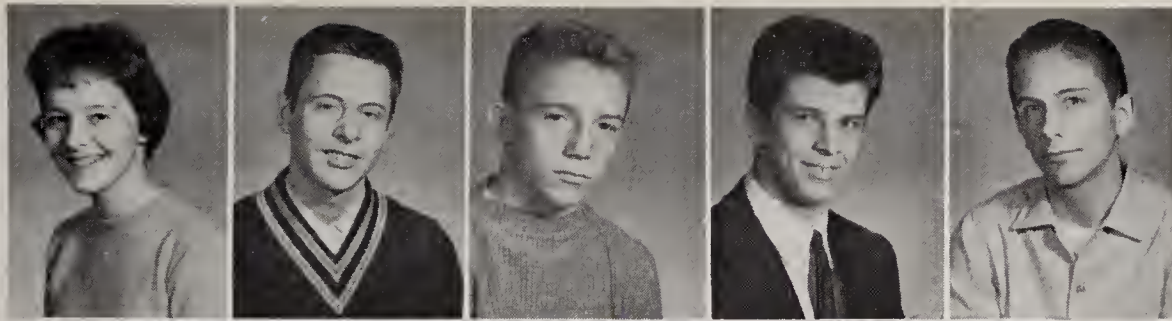

The new members of the Medina "hive" moved right into the "swing of things" this year. The sophomores have been so busy keeping up with the active life found at MHS that they haven't had much time for special projects. The big event of the school year for these newcomers is the ordering of their precious class rings. Scholastically, the class of '63 has made quite an outstanding record by producing many of Medina's honor roll students.

A TASTE OF ENGLAND

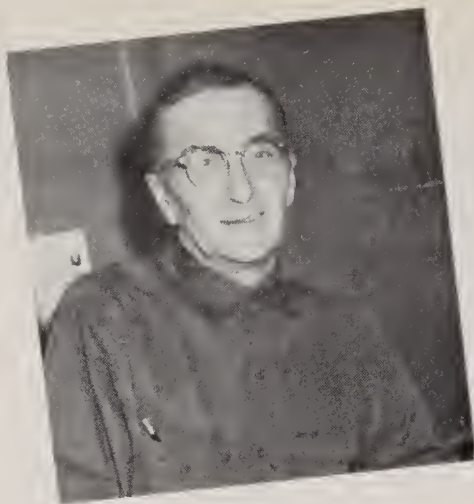

The happy young chap pictured above is none other than our English exchange teacher for the year, Mr. Drury. Taking a leave-of-absence from Emanuel School for boys in Wandsworth, England, Mr. Drury has encountered many strange new customs in the United States. Although he has enjoyed this experience, Mr. Drury misses coaching the boys of Emanuel in the school's Boat Club and eating those good ol' English fruit cakes. Of all the activities found at MHS, Mr. Drury greatly admires Medina's Marching Band. But a year passes quickly and our English friend must return to his home across the Atlantic. The staff would like to speak for the rest of the school in wishing Mr. Drury a safe return and good luck in future years.

England was never like this!

VARSITY FOOTBALL

Despite the losing streak the Bees suffered in the season of 1960, they never gave up fighting for that one important victory. On the sidelines the Bees' supporters backed them all the way, especially when the first touchdown of the season was made, and all spirits were boosted sky-high. A note of congratulations from the staff goes to the football squad and all the coaches for their hard work and never-ending drive.

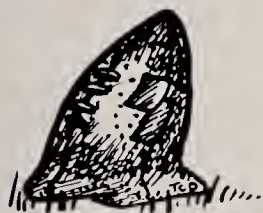

"Use your heads; it's the little things that count."

"Phooey!"

RESERVE FOOTBALL

The reserve football squad had better luck this season than did their brother team. These Bees tossed the ol' pigskin around and carried it down the field for seven victories out of eight games. The J. V.'s credit a hearty pat on the back and best wishes for an even better record next year.

CROSS-COUNTRY

The school's cross-country team is something comparatively new at MHS in the last few years. Despite this handicap, our team held up very well against the other schools in the district. All the harriers with the exception of one will be back next year. With another season of cross-country behind them, the boys promise some real hot competition in next year's season.

HOLIDAY TOURNAMENT

Tom Masters holds the runner-up trophy for Buckeye, while John Campy accepts the first place trophy for Medina.

This year's Bees fought hard for a high-ranking position in the Southwestern Conference. Dropping a few notches from their original position in the early part of the season, the varsity team climbed back steadily to place second on the ladder of victory. The roundballers were truly outstanding this season and produced some real high-styled action on the court at every game.

The Junior Bees showed a great deal of spirit and enthusiasm during the season of 1961. Despite the games that were lost, there were many entertaining hours enjoyed by a full crowd throughout the season. Displaying the talents for success, the Bees can assure their supporters of a victorious season in '62.

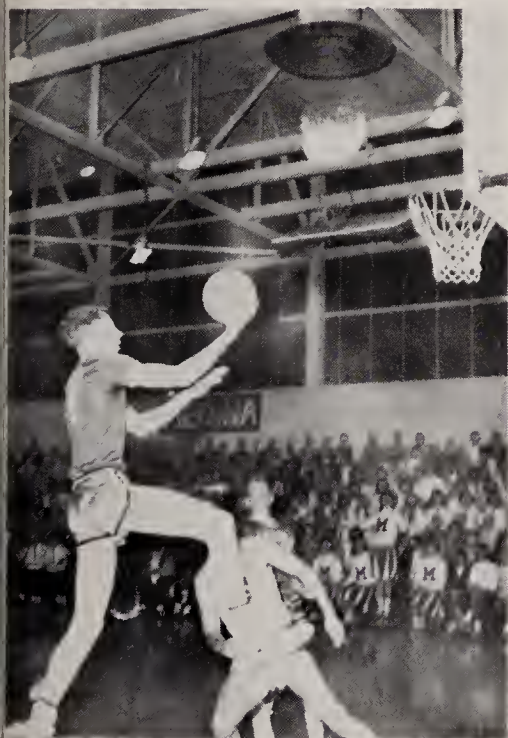

Which way is out?

Here comes number 30 to the rescue!

HOMECOMING 1960

Musical Bees in action

The Queen and her court

The big day has begun.

Gee-e-e-e-e!

"Good luck to my favorite team"

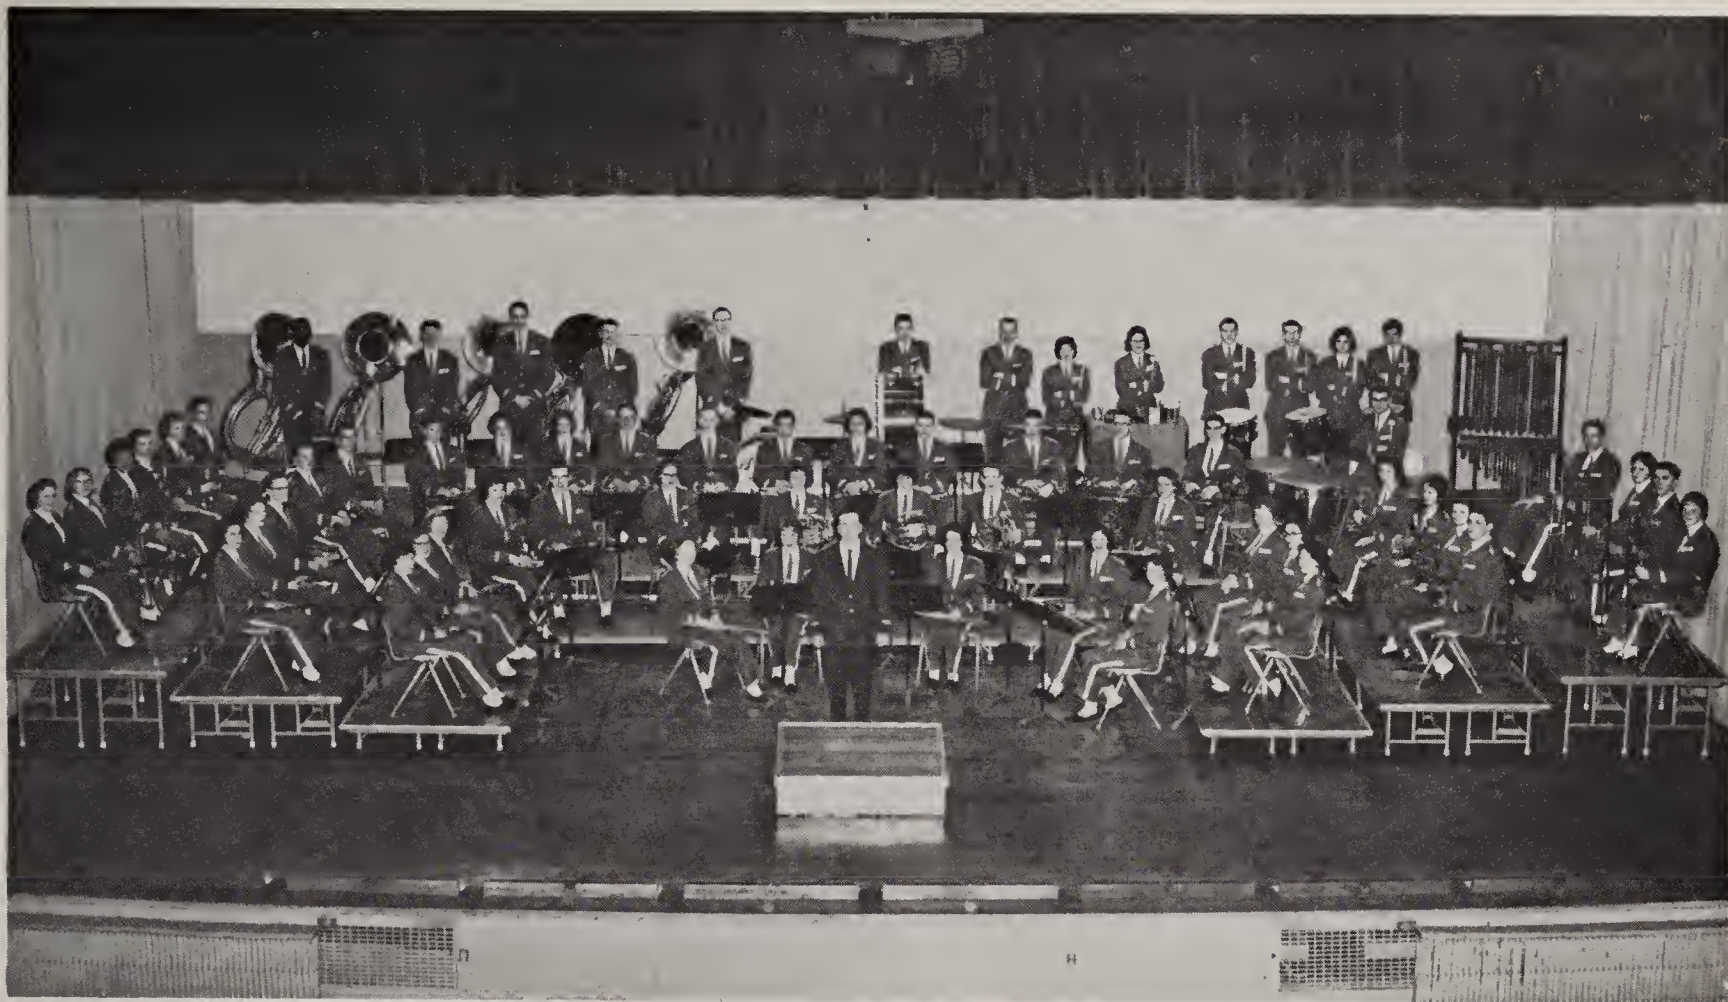

The Queen Bee is crowned.

Queen Marsha Hyatt and her two attendants, Cathy Bisson and Marti McCoach, reigned over the 1960 Homecoming festivities. The afternoon sun shone down upon the royalty as they paraded through town square on a majestic float of green and white created by the seniors. The next few hours passed quickly for all who joined in the festivities as the big game approached. Upon being presented the football by Queen Marsha, the Bees fought to the very end when they came in second best to Bay Village. Despite the loss, the Homecoming spirit was anything but dampened as the dance began with the beautiful crowning ceremony. This was a gala night to be remembered by everyone as the dreamy music of the Stardusters completed Homecoming of 1960.

CONCERT BAND

The members of Band spent many hours of practice in preparation for their always enjoyable concerts and other performances during the year. Taking to the football field during half-times, the Bees put on such shows as "Latin America" and "Highlights of Broadway." As football season came to a close, Concert Band came into the spotlight by producing four concerts during the remainder of the year. Besides the annual Winter and Spring Concerts, the Band played host to the Whitehall Concert Band for a joint concert while also traveling to Defiance in May. As always, Medina High salutes "Stacy's Army" for another successful year.

CHOIR

The vocal department of Medina received a complete overhaul this year. Mr. Page, the new director, introduced several innovations. For the first time, officers were elected, and records were made of the annual Christmas Con- cert to finance the purchase of new stoles. Two completely new vocal groups consisting of Choir members were organized this year. Counterpoints is com- prised of four girls and the same number of boys while Harmonaires is an all-male group. Under the leadership of the new director, the Choir can look forward to many successful years of vocal productions.

STUDENT COUNCIL

Student Council, the governing body at MHS, consists of club representatives who are constantly striving to benefit the entire student body. As is the custom, the Council sponsored the Homecoming festivities and also the Holiday Hop which was a decided success compared to past Hops. Furthermore, the pet project for this year's Council was the creation of a green and white victory flag which will be flown after every athletic victory.

This is o view of the better side.

The glittering decorations of the Y-Teen Formal literally transformed the gymnasium into an "Ice Palace" on the evening of this annual event. After the tapping ceremony, Queen Kay Chidsey and her attendants, Jan Clement and Barb Chase, were escorted to a throne perfectly suited for the dance. These three girls reigned over the remainder of the evening as the strains of Al Day's Orchestra added a final touch to this memory-filled occasion.
